Last year we had a great turnout to Dan the Man's 5K Run/Walk. While we lost our hero in 2023. Amazing memories were made. With all of the support we were able to make the Dan the Man 5K an annual certified race in honor of Dan.

This former golf course makes an outstanding venue with rolling hills The path is paved and well traveled.

This year, proceeds collected will benefit **ALS UNITED Connecticut** and their fight for a cure to help people with ALS live their lives to the fullest.
